

Dear Ranjan,

I am delighted to know that you are launching Aumorto – a retirement community for active seniors. This indeed fills a pressing need, and I congratulate you and your colleagues for this project. It would have been a great pleasure to join you on this occasion, but my programme for April is already full and I will not be able to do so.

However, please accept and convey to your colleagues my warm greetings on this important occasion. May Sri Aurobindo and the Mother bless your efforts.

With good wishes,

Karan Singh
